Target markets per fuel 2003 - 2007

- **LFO 3.5-60 MW**
- **HFO 1-60 MW**
- **GAS 3.5-60 MW**

**Note I:** Wärtsilä’s gas power plant target markets have changed after the review period 2005, when Wärtsilä stopped manufacturing and selling high speed engines (power range < 3.5 MW).

**Note II:** The LFO figure from 2006 onwards includes liquid biofuels.
