

1. INTRODUCTION

These General Terms and Conditions – Parts (2020) (the “Conditions”) shall, unless otherwise agreed in writing, apply to all sales of parts (the “Parts”) by any authorized member, agent or representative of the Wärtsilä Group (the “Supplier”) to a purchaser (the “Buyer”). The Supplier’s offers are non-binding until accepted and confirmed by a purchase order issued by the Buyer in compliance with these Conditions which is acknowledged by the Supplier (any such acknowledged purchase order, a “Contract”). These Conditions shall form an integral part of the Contract. The Buyer may not change or cancel any purchase order after it has been received by the Supplier unless the Supplier has agreed in writing to such change or cancellation.

2. CONFIDENTIALITY AND INTELLECTUAL PROPERTY

2.1 Neither party shall copy or disclose to a third party any document or data provided by the other party without the prior written consent of the other party or use them for purposes other than those for which they were provided. Intellectual property rights associated with the Parts or any document or data provided by the Supplier in connection therewith shall remain the Supplier’s property. The Buyer shall defend, indemnify and hold harmless the Supplier against all claims, losses and damages, including reasonable attorneys’ fees, arising out of or resulting from any reuse, modification, reproduction or publication of the Supplier’s intellectual property documents or data. To the extent there is a conflict between the foregoing provisions regarding confidentiality and intellectual property and any terms or conditions of any software license agreement, the terms and conditions of such software license agreement shall prevail.

2.2 Notwithstanding anything to the contrary, companies belonging to Wärtsilä Group shall have the right to collect data from sensors, instruments, monitors, data collectors, industrial control or SCADA devices located at Buyer’s sites or on the equipment delivered and use such data, including but not limited, to support and develop its products, solutions and services. Data may be transferred within Wärtsilä Group and to third parties who act for or on its behalf for processing the data. Companies belonging to Wärtsilä Group shall own any enrichment, report or derivative work developed or derived from such data. The rights granted hereunder shall survive any termination or expiration of the Contract.

3. CYBERSECURITY PROTECTION

3.1 Unless otherwise agreed, upon delivery of any equipment provided by the Supplier, the Buyer shall be solely responsible for system integrations and/or system security engineering for any equipment not provided by the Supplier. It is the Buyer’s sole responsibility to protect the equipment and its logic-bearing system components (e.g. hardware, firmware, and software hereinafter referred to as the “Critical Components”) from any External Cybersecurity Threat or Internal Cybersecurity Threat, including against hardware and software vulnerabilities. In recognition of the foregoing, the Buyer agrees and covenants that it shall use the degree of care appropriate to prevent unauthorized access, use, or hacking of the Critical Components provided in connection with any equipment provided by the Supplier and shall do so in a manner that is no less rigorous than any recommendations provided by the Supplier and accepted industry practices.

3.2 “External Cybersecurity Threat” is any threat, act, attack or other incident which negatively affects the reliable workings of any equipment provided by the Supplier, which originated outside of the physical site housing such equipment.

3.3 “Internal Cybersecurity Threat” is any threat, act, attack or other incident which negatively affects the reliable workings of any equipment provided by the Supplier, which originated inside of the physical site housing such equipment.

4. DELIVERY, ACCEPTANCE AND RETURNS

4.1 All references to trade terms shall be interpreted in accordance with Incoterms® 2020. Unless otherwise agreed in writing, the Parts shall be deemed to be sold “FCA”. Any date or period for delivery stipulated or quoted shall be deemed to be an estimate only. Packing materials shall not be returned to the Supplier. The Buyer shall be deemed to have accepted the quantity and quality of the Parts delivered by the Supplier as being in accordance with the Contract unless the Buyer has notified the Supplier of any shortages or damage within three (3) days following delivery of the Parts. No returns of Parts will be permitted or allowed by the Supplier.

4.2 If the Buyer anticipates that it will be unable to accept the delivery of Parts at the time set forth in the Contract, the Buyer shall notify The Supplier in writing stating the reason and the time when the Buyer anticipates being able to accept the delivery. The Buyer shall pay the part of the Contract price that becomes due at the delivery as if the delivery had taken place. The Supplier may by notice require the Buyer to accept the delivery within a final reasonable time. Any additional costs related to such delay shall be borne by the Buyer.

4.3 The Supplier has the right to suspend the performance of its obligations under the Contract if it is reasonably clear from the circumstances that the Buyer will not be able to perform its obligations as stated in the Contract.

5. PAYMENT AND OWNERSHIP

Unless otherwise agreed, payment shall be made by bank remittance in the currency and to the bank account set forth in the Supplier’s invoice within twenty (20) days following the date of the invoice. Payment shall be made in full without any set off, counterclaim or deduction. The Buyer shall pay interest on overdue payments from the maturity date until the actual date of payment at the rate of one and one quarter percent (1.25%) per month, compounded monthly. The Buyer shall pay the Supplier all costs related to the collection of overdue amounts, including reasonable attorneys’ fees. In the event any payment is more than thirty (30) days late, the Supplier shall be entitled to suspend or terminate the Contract by written notice to the Buyer, and such remedies shall not be exclusive of the Supplier’s additional rights under contract or law. Title to the Parts shall pass to the Buyer only when payment in full has been received by the Supplier. The Supplier may as a precondition for delivery of Parts, request: (i) advance payment; and/or (ii) that the Buyer pays or provides security covering any unpaid amount already owed to the Supplier or one of its affiliates.

6. WARRANTY

6.1 The Supplier shall repair or replace, at its sole discretion, any defect in the Parts which appears during the warranty period as a result of defective material or manufacturing, provided that any replaced Part shall upon the Supplier’s request be returned to the Supplier at the Supplier’s cost. The Buyer shall immediately take appropriate steps to prevent any defect from becoming more serious, and all warranty claims with respect to this warranty shall be made in writing without delay and not later than fourteen (14) days following discovery of such defect during the warranty period. The Buyer shall have the responsibility to establish that its claim is covered by this warranty. Replaced Parts shall become the Supplier’s property. Delivery of replaced or repaired Parts will be made in accordance with the original Contract delivery terms.

6.2 The warranty period for the Parts begins on the date of delivery and ends eighteen (18) months from the date of delivery. If the Parts are inspected and installed within the above mentioned eighteen (18) months by authorized Wärtsilä personnel, the warranty period will be twelve (12) months from the date when the Parts were placed in Service or eighteen (18) months from the date of delivery, whichever occurs later. The warranty period in respect of Parts which have been repaired or replaced under the warranty shall expire six (6) months following the date when: (i) the repaired or replacement Part is placed in service; or (ii) upon the expiration of the warranty period applicable to the originally supplied Part as set forth above in this Clause 6.2, whichever occurs later. The warranty for repaired or replacement Parts shall be subject to the same terms, conditions and limitations of liability as those applicable to the originally-supplied Part. Under no circumstances shall the warranty period of any Part (whether as originally supplied or as repaired or replaced) extend beyond the date that is thirty-six (36) months following the date of commencement of the original warranty period as stipulated above in this Clause 6.2.

In case the Parts are ready for delivery but the Supplier is not able to deliver the Parts due to reason attributable to the Buyer, the warranty period as stated above in this Clause 6.2 shall commence from date the delivery should have taken place according to the Contract.

The Supplier’s warranty obligation does not include any craneage, electricity, scaffolding, docking, diving, sub-sea work, towage costs, demounting or mounting costs, expenses of the Supplier’s personnel or representatives, taxes and duties, and all such costs and expenses shall be reimbursed by the Buyer to the Supplier when applicable. If after the Supplier’s warranty investigation it is found that the Buyer does not have a warranty claim within the scope of these Conditions, then the Buyer shall be responsible for all applicable costs and expenses for such inspection, repaired or replaced components or other service work.

6.4 THIS CLAUSE 6 SETS FORTH THE ONLY WARRANTY APPLICABLE TO THE PARTS AND IS IN LIEU OF ANY OTHER WARRANTIES, GUARANTEES, OBLIGATIONS AND LIABILITIES EXPRESS OR IMPLIED INCLUDING WARRANTIES, GUARANTEES, OBLIGATIONS OR LIABILITIES AGAINST NON-CONFORMITY OR DEFECTS. THE BUYER
